

## #6881 Quality and Risk Manager

**Location:** Cairns servicing Cape York communities

**Status:** Full Time Permanent

**Salary:** \$103,031 - \$112,398 p.a. + super

### About Us

Apunipima Cape York Health Council is a community controlled Aboriginal and Torres Strait Islander health service. We provide culturally appropriate, family centred, comprehensive Primary Health Care services to the communities and people of Cape York. Our vision is to become a community owned organisation that has achieved optimal wellness for Cape York communities.

### About the Opportunity

As Quality and Risk Manager you will lead the development, implementation and maintenance of integrated quality and risk management systems and functions for Apunipima. You will ensure the organisation achieves and maintains legislative, contractual and accreditation compliance, and you will support management to enable ongoing implementation of organisational quality, risk and compliance systems.

### About You

To be successful in this role you will have:

- significant experience implementing processes to meet accreditation against Standards relevant to the operations of an Aboriginal and/or Torres Strait Islander community controlled health organisation,
- experience identifying risk, developing and monitoring mitigation strategies through a change management process,
- knowledge and understanding of strategic, corporate and operational risk management principles,
- understanding of the historical and contemporary issues that impact on Aboriginal and/or Torres Strait Islander people and their communities, particularly in Cape York,
- the ability to communicate sensitively and effectively with Aboriginal and/or Torres Strait Islander people in accordance with community protocols and customs, and
- a current Blue Card positive notice or exemption, or willing and able to obtain prior to commencement.

### Why Apunipima?

Apunipima is a great place to work, with opportunities to grow and develop and an environment of respect. As Quality and Risk Manager, you will enjoy an attractive remuneration package, collaborative workplace, 5 weeks annual leave, annual leave loading, generous salary packaging options, flexible work practices, financial assistance for relocation (as applicable) and more.
